

STUDENTS, WELCOME TO THE DUTCH UNIVERSITIES

Studying is something you do together

Everyone will be able to visit university campuses, but not at the same time

Blended learning: on campus when possible, online because it's possible

CONGRATULATIONS ON GRADUATING!

Studying broadens your horizons

Studying also means discussion, questioning, researching, completing assignments and collaborating

We wish everyone a wonderful time as student. Everyone is doing their best to make this happen!

Staying together helps you grow. Socially, culturally, athletically and more

Safe: 1,5 meters social distancing
